

# Be Prepared

## RCS QLD Farm Business Resilience Plan Support Program is now available.

*Katlin Tilly | RCS Advisor & Coach*

Is the ever-present threat of drought stressing you out? Secure your farm's future with a rock-solid **Farm Business Resilience Plan**.

Supporting the **Queensland Department of Agriculture and Fisheries**, RCS offers a tailored Advisory package to help you develop and implement an effective business resilience plan. This isn't just about paperwork - it's about gaining peace of mind and building a more resilient farm.

**Here's the best part:** When you use our professional advisors you may be eligible for a 50% rebate (up to \$2,500) through the **Queensland Government Farm Management Grant**. That's government funding to help you get the professional support you need to thrive.

**Don't wait until the next dry spell hits.** Take action today. Contact RCS to learn more and secure a brighter, more drought-resistant future for your farm.

# Investing in your Farm's Future: Save thousands if you act now.

Discover how we can help you build your **Farm Business Resilience Plan** (FBRP) below.

## Save \$2,500 with our special advisory package

### Comprehensive Support:

- **Initial Planning:** We kick things off with a remote meeting to understand your goals, business resilience objectives, and conduct a SWOT analysis of your farm's strengths and weaknesses.
- **Drought Preparedness:** Gain valuable insights with our online RCS Drought Preparedness course.
- **On-Farm Expertise:** One of our RCS Advisors will spend a full day on your farm, providing detailed input on achieving your resilience goals based on the SWOT analysis.
- **Action & Implementation:** Benefit from five remote meetings to support you in implementing key actions from your strategies and finalise your FBRP.

**Note:** For remote locations, additional travel costs may apply if we can't combine your visit with others.

## Up to 50% off RCS Courses

### Boost your Profits:

By attending an RCS **GrazingforProfit® course, RCS Grazing Clinic or Business Fundamentals Workshop** you'll be setting yourself up for success. Best news is that you may be eligible for up to 50% off courses if you act now.

- **GrazingforProfit® :** Upon course completion, two remote sessions will guide you in completing your FBRP, summarising key learnings and primary actions from the course.
- **RCS Grazing Clinic or Business Fundamentals Workshop:** Upon course completion, receive one follow-up session to review your FBRP template, discuss key learnings, and ensure clear, achievable actions.

**Note:** To be eligible for the 50% off rebate, you are required to book advisory sessions with an RCS Advisor.

### Unlocking Funding:

By completing the RCS FBRP Development Program, you may be eligible for the Queensland Government's Farm Management Grant. **This program offers a 50% rebate (up to \$2,500)** on eligible professional advice to develop your Farm Business Resilience Plan.

Visit [www.qrida.qld.gov.au/program/farm-management-grants](http://www.qrida.qld.gov.au/program/farm-management-grants) for more information.

### Payment and Grant Applications:

Full payment for our services is required upfront upon registration. The client is responsible for ensuring eligibility to receive the grant from QRIDA and submitting all relevant applications.
